Explanations 説明 "Simon says game" "Pass the color game" "Group into number group"

"Simon says game" The teacher will be Simon. Whenever he says the word "Simon says", students will have to follow. If the teacher did not say it, they must not follow. Those who make a mistake is out. They have to sit down. Ex. Simon say, touch your head! (do). Touch your eyes! (don't do).

「船長さんの命令です」と同じ要領です。"サイモン・セイズ"と言うたびに従わなければならない。教師がそれを言わなかった場合は、従わない。

"Pass the color game". The student in front of each group will come to the front. The teacher will ask them to remember a color but secretly. Then they go back to their line then pass the word to the person at their back. If it reaches the last student, that student will have to run and whisper the correct answer to the teacher to earn a point.

伝言ゲームの要領です。各グループ一人ずつ前が出る。先生から秘密で色を聞き、覚える。一列になった自分のグループに戻り、リレーゲームの要領で伝言していき、速さと正確さで勝敗を競う。

"Group into number group". The teacher will say "Group into 3". The students will have to form a group with 3 persons then sit down to be safe. They repeat this until all the students are sitting down.

先生が言った数だけ集まる。早く集まったら勝ち。
