WE ARE SO LUCKY!  
WE HAVE THREE NATIVE ENGLISH TEACHERS IN 2022!

My name is **Andy**. I am from Nebraska in the United States. I went to Kwansei Gakuin University in Hyogo. Before working at Nanyo I was a homeroom teacher at a kindergarten. My hobbies are doing exercise, and telling funny jokes. Some of my favorite people are Matsui Hideki, Abe Hiroshi, and Degawa. Usually my classes are very friendly and noisy. Also the most important rule for my class is to always try your best and don't give up because I promise to never give up on you. I look forward to meeting you. Thank you.

Hello, everyone. Nice to meet you.  
My name is **Chanel**. I am from Los Angeles, California (America). I studied Fine Arts at CALARTS and taught English in South Korea for seven years. My hobbies are making art, traveling different countries, eating delicious foods, watching anime, and reading manga. Although English can be difficult, students in the class are encouraged to be fearless of mistakes and have fun learning English. "Are you ready for English?" "Yes, I am."

Hey everyone! It's me, **Clamila**! I'm a new English teacher here at Nanyo High School. You can probably guess, but I'm not Japanese! I'm from a city called Edmonton in Canada. In the winter, my hometown can get as cold as -40°C! Sometimes it gets even colder. My major was biology in university and I studied about environmental conservation and dinosaurs. I moved to Japan in 2016 and I used to be the AET at Momoyama High School in Kyoto City. Some of my hobbies are watching movies and shows, listening to music, and playing video games. Sometimes I also play "survival games" with my friends! I also really like manga and anime. One interesting thing about me is that I can speak 5 languages! If you have any questions or you just want to talk, call for me any time!
