Paragraph Writing No. 2

Topic: These days e-sports, such as computer game tournaments, are becoming more popular.   Do you think e-sports will become more popular in the future?

1. Brainstorming

I think that e-sports will become more popular in the future.	I don't think that e-sports will become more popular in the future.

2. Choose two reasons and write a paragraph.

Format:

      I think / don't think…   I have two reasons for it.   First, …   (plus two or three sentences)   Second, …   (plus two or three sentences sentences)   That is why I think / don't think…

**For each reason, try to add three sentences.   The sentences can be
- details (詳細)
- explanation (説明)
- example (具体例)
- explanation about the example (具体例についての説明)
- explain why your reason is important（重要性）
      "This is important because…
