

# Kyoto Prefectural WWL High School Summit

Contents discussed in each area and the corresponding SDGs

Please select your first to third choice from 1 to 4 below.

1. Area I “Creating a vibrant society in the future, making strategic use of cultural heritage” (discussed in English)

(1) Content discussed in this category

“There are many traditions and cultures in each country and region. Especially in Kyoto, we use tangible and intangible cultural heritages as a tourism resource. However, a lot of problems occur at the same time. Then, in order for people to live active lives while maintaining traditions and cultures, please suggest what we can do. Your idea must take the following Goal and Target into account.”

(2) Specific Goal and its target related to the topic

Goal 8	Promote sustained, inclusive and sustainable economic growth, full and productive employment and decent work for all
Target 8.9	By 2030, devise and implement policies to promote sustainable tourism which creates jobs, promotes local culture and products

\*Targets show more concrete goals under each Goal.

2. Area II "Creation of a prosperous future society where science and technology are in harmony with nature" (Discussed in Japanese)

(1) Content discussed in this category

“Urbanization has been progressing along with economic growth, but numerous issues have also arisen. Therefore, in order to solve the problems faced by urbanization through innovation using science and technology (new approaches and unprecedented mechanisms), and to realize a future society where people can live in harmony with nature in a sustainable manner, please propose what we can do. Your idea must take the following Goal and Target into account.”

(2) Specific Goal and its target related to the topic

Goal 3	Take urgent action to combat climate change and its impact.
Target 13.1	Strengthen resilience and adaptive capacity to climate-related disasters and natural hazards in all countries.

\*Targets show more concrete goals under each Goal.

3. Area III "Creating a Peaceful and Secure Future Society through Multicultural Conviviality" (Discussed in Japanese)

(1) Content discussed in this category

“Although globalization is progressing and awareness of gender equality is increasing, have we achieved coexistence among people with diverse cultural backgrounds and values? We want to realize a society where all people of the earth can live in peace and security in a peaceful environment by mutually accepting and collaborating with diverse cultural backgrounds and values. Therefore, please propose what we can do. Your idea must take the following Goal and Target into account.”

(2) Specific Goal and its target related to the topic

Goal 5	Achieve gender equality and empower all women and girls
Target 5.5	Ensure full and effective participation of women and equal leadership opportunities at all levels of decision-making in the political, economic, and public spheres.

\*Targets show more concrete goals under each Goal.
