We have a Sports Day in October.  
It lasts for one day.

Many people including elementary school students come and enjoy our festival.

It is fun.

# Let's enjoy it together.

We have a school festival in October.  
It lasts for one day. We do a chorus and a presentation. The whole school takes part in the chorus. Let's have fun.

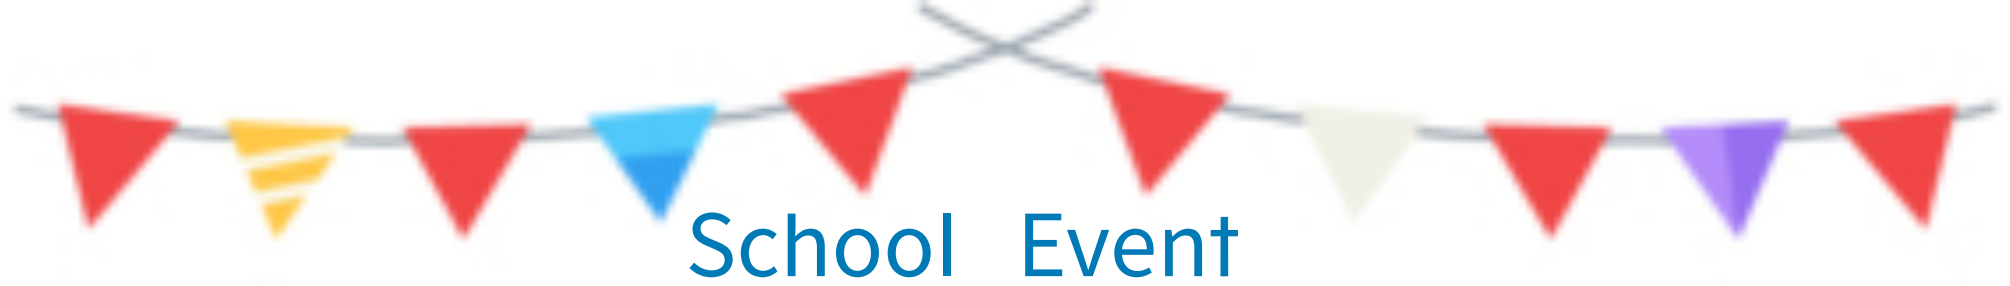

**Our SMAP team meets  
four days a week.  
We are playing music  
together in the music  
room.**

**If you are  
interested, come to  
the music room.  
We welcome  
beginners.  
We can enjoy  
music!**

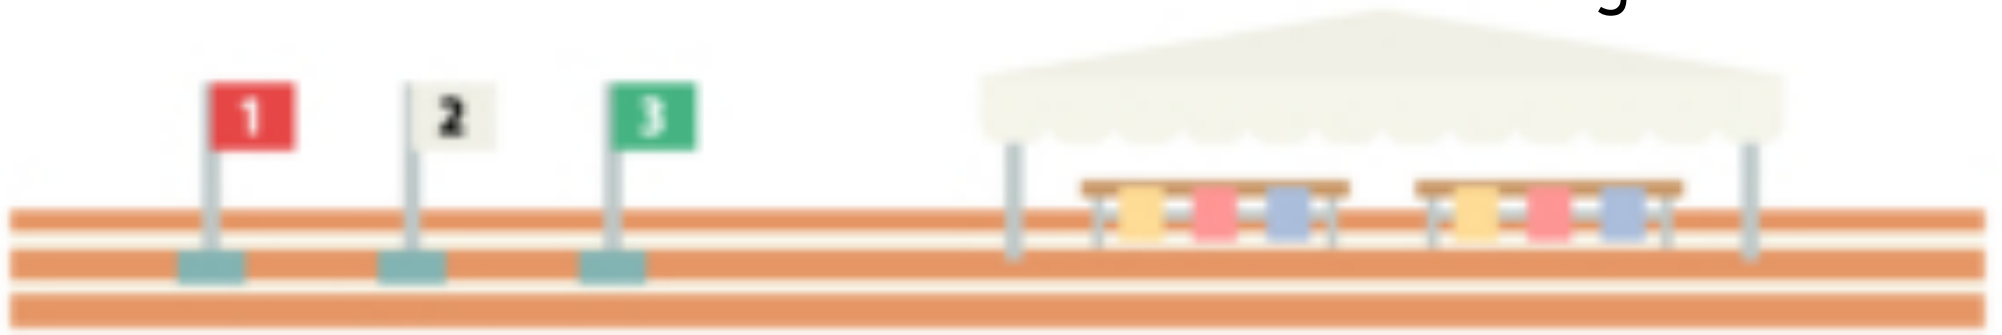

This year, we had a school sports festival in October. It lasted for one day.

Many people came and enjoyed our festival. We were able to get excited with competitions and cheering, and parents also participated in the competition and everyone was able to enjoy it.

Thanks to the sports festival, we can communicate with students from other grades.

It was the last sports festival, so I'm glad I enjoyed it. It became the **best memory** for me.

# SMAP

Mizuho junior high school has a cultural club called SMAP. The club meets **four times a week**.

Basically, it's a club where you can do anything.

We can do a variety of things such as **folding cranes**, **playing in ensemble**, **drawing pictures**, and **conducting experiments**.

We can enjoy SMAP.

# Club Activities

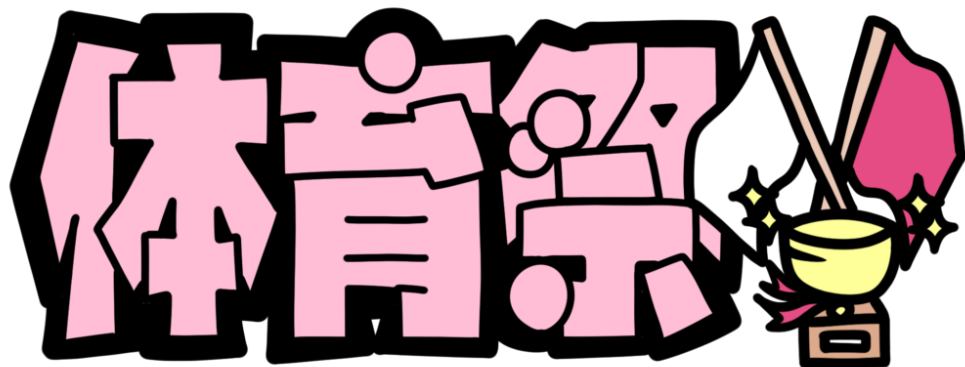

Our hockey team  
practices five days a week.  
We take part in the national  
tournament every summer.

Do you know hockey?  
We welcome beginners!

Let's play hockey!

Every year, we have sports day in October.  
It lasts for one day.  
It's very exciting.  
We can enjoy it with our parents.  
Let's enjoy sports day together.

## School Event

We had a Sports festival in October. It became the best memory for me.

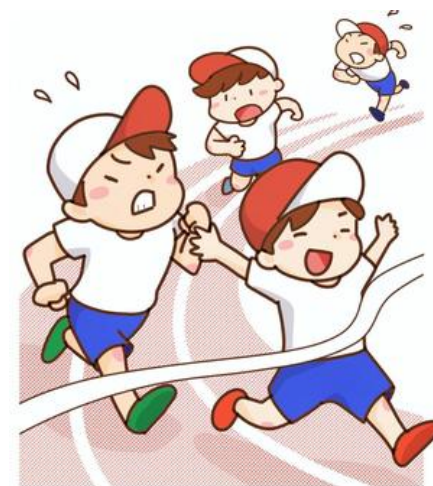

I was a leader of the red block.

We played various competitions and the red block won.

I was happy and excited.

Besides I was able to cheer everyone up as a broadcasting committee member.

It became the most fun sports festival in history.
